Ron Huddleston, FAHP, CFRE, President of The Huddleston Group is an engaging speaker and nonprofit strategist known for his ability to help executives identify the elusive blind spots that are preventing them from taking their organizations and careers to the next level.

Drawing on 40 years of for- and not-for-profit corporate experience, Ron has a unique gift connecting with his audience and ensuring they walk away with actionable strategies for positive change – strengthening leadership skills, enhancing individual performance and improving organizational relationships.

Using his passion, energy and warmth, Ron has shared his expertise with thousands of talented, professionals in nonprofit organizations and NGO's internationally, nationally and local organizations and groups. Ron has spoken at conferences and workshops large and small.

Ron has executive leadership experience developing, implementing and managing nonprofit institutions and philanthropic programs throughout the United States and Western Europe. He was President & CEO of the prestigious San Francisco's French Hospital Foundation for more than 13 years, President & Founder of Safe Kids America and Chair of the San Francisco Public Health Foundation to name a few. He has worked in the financial planning industry, manages a real estate investment portfolio and has raised venture capital funds.

Ron's engaging style and compelling messages are famous for producing understanding and targeted actions that lead to bottom-line impact.

Ron Huddleston is the speaker you need!

Credible. Captivating. Compelling.

It is not uncommon for Ron to receive endorsements such as the following:

Recently, our Founder and CEO, Mrs. Sunny Wight, asked me to attend the 23rd Annual Nonprofit Conference on Sustainable Strategies. The event was sponsored by the ASU Lodestar Center for Philanthropy and Nonprofit Innovation in Phoenix, Arizona.

Approximately 39 workshops were featured at the conference and I attended half of them to maximize the return on investment for Mindfulness First.

The one workshop that stands out was "How to Build a Strong & Committed Nonprofit Board (Advanced), and was facilitated by Mr. Ron Huddleston, President, The Huddleston Group. The Workshop Category was Board Governance.

Practical hands on assessment of our own Boards utilizing The Huddleston Group checklist was phenomenal and an eye opener. The personal stories, tools, examples, research based points of view and the delivery of the information was superb!

I have attended thousands of workshops in the Department of Defense and in the Federal Government. I've been trained and certified as an instructor and presenter. Everything I learned, was exceeded by Ron. He made the information easy to understand and apply. All learning styles of the audience were engaged! Ron exceed my expectations.

In closing, if I had to summarize Ron in one phrase it would be "A Servant Leader that embodies Aut Viam Inveniam Aut Faciam."

This quote is from Hannibal, when his generals told him it was impossible to cross the alps by elephant, and his response was "I will find a way or make one."

With the deepest gratitude, respect and admiration,
